

Color recommendations provided are intended as helpful suggestions and may be subjective. We highly recommend using our physical color card and conducting sew-outs when matching Glide thread to other brands, as color perception can vary. Please note that colors viewed on digital screens may differ from the actual thread due to variations in screen settings and lighting conditions.

Color recommendations provided are intended as helpful suggestions and may be subjective. We highly recommend using our physical color card and conducting sew-outs when matching Glide thread to other brands, as color perception can vary. Please note that colors viewed on digital screens may differ from the actual thread due to variations in screen settings and lighting conditions.

Color recommendations provided are intended as helpful suggestions and may be subjective. We highly recommend using our physical color card and conducting sew-outs when matching Glide thread to other brands, as color perception can vary. Please note that colors viewed on digital screens may differ from the actual thread due to variations in screen settings and lighting conditions.

Color recommendations provided are intended as helpful suggestions and may be subjective. We highly recommend using our physical color card and conducting sew-outs when matching Glide thread to other brands, as color perception can vary. Please note that colors viewed on digital screens may differ from the actual thread due to variations in screen settings and lighting conditions.
